

Cass County Environmental Services

Solid Waste Transfer Site Management/Operation Agreement

This agreement is to provide for the management services for the operation of the Cass County transfer site located in Section 6 of Birch Lake Township. The parties to this agreement are Cass County, Minnesota (owner) and _____ (operator).

Conditions

1. The operator shall operate the facility in accordance with county and state solid waste and recycling requirements and standards.
2. The operator shall manage the facility as directed the owner, which includes but is not limited to:
 - a. Days and hours that the facility is open.
 - b. Inspect Municipal Solid Waste (MSW) for unacceptable waste.
 - c. Assist the public with information for MSW, recycling and related programs.
 - d. Maintain the site in an orderly and systematic manner.
 - e. Maintain records of material accepted and removed from the facility.
3. The owner shall obtain any permits required for the operation of the facility.
4. The owner shall determine rates for the use of the facility services.
5. The owner shall retain all revenue collected at the facility.
6. The owner shall pay the operator \$_____ per month for managing the facility.
7. The owner shall be responsible for site and container access.
8. The operator must maintain a daily record of transactions for submittal to the owner and provide receipt to customers.

Term

The term of the agreement shall be for the period of August 1, 2017 to July 31, 2018. This agreement may be renewed at the option of the owner. Either the owner or the operator may terminate this agreement with at least thirty (30) day notice. Renewal of the agreement may include the modification of conditions as agreed to by the owner and the operator.
