## Enhanced 911 Sign Replacement

### Request for 911 Sign

In accordance with the policy adopted by the County Board on August 7, 2001, after the initial installation of the blue property number signs, the signs become the responsibility of the property owner.

“If a blue property sign or post becomes damaged or needs replacement, the landowner may contact the Highway Department and a new sign can be ordered, at the expense of the landowner. It is the owner’s responsibility to pick up and install replacement signs and posts at their own expense.”

The cost of a replacement sign is \$20.00. The cost of a replacement post is \$5.00. It takes 2 to 3 weeks for new signs to be delivered to the Highway Department. The Highway Dept. office is located at 8045 Co. Rd. 12 in Walker, Mn., and the office hours are 8:00 to 4:30 Monday through Friday.

To order a replacement sign, please fill in the information below, enclose payment and return to the Cass County Highway Dept., P.O. Box 579, Walker, Mn 56484. Upon receipt of payment, we will order the sign and contact you when it arrives. For an additional fee (\$5.00) we will mail the new sign directly to you.
